Our Services:

# Animal Welfare Career Coaching

The field of wild animal welfare can be difficult to break into, and with many possible career paths it can be confusing to sort through your options. Our team can help you narrow down your interests and find the best steps to take towards your career goals.

Whether you're a seasoned professional curious about new insights in the field, considering changing careers, or just taking your first steps in wild animal welfare, we can offer our experience and knowledge to help answer your questions.

Every month we offer a limited number of online coaching/consulting sessions for beginners and professionals interested in the field of wild animal welfare and/or human wellbeing to discuss your questions and options.

Online coaching/consulting sessions are subject to availability and on a first-come, first-serve basis, so contact us today to book your slot!
